GRANTS, HONORS AND AWARDS

International Student Achievement Awards from UF 2024
Nominee. Recognized for academic excellence and contributions as an international student at the University of Florida.

SEEDS Mentorship from NASSS 2024
Selected for the *Scholars Enlightened Engaged Disrupting Structures* (SEEDS) program, a NASSS initiative supporting racially minoritized graduate students and junior faculty through mentorship and professional development.

Alberto Madella Scholarship from EASM 2024
 Awarded to cover the European Association of Sport Management (EASM) conference fee in Paris, France. The only recipient not affiliated with a European university in this round.

- Prize money of € 600

UF Student Government Travel Grant 2024
 Student travel grant earned to attend the European Association of Sport Management (EASM) in Paris, France

- Prize money of US\$ 500

UF SPM Department Travel Grant 2024-2025
 Student travel grant was earned to attend the European Association of Sport Management (EASM) in Paris, France

- Prize money of US\$ 1000

UF SPM Department Travel Grant 2023-2024
 Student travel grant was earned to attend the Applied Association of Sport Management in Knoxville, Tennessee, and the Event Management Conference in Orlando, Florida.

- Prize money of US\$ 1000

UF Student Government Travel Grant 2024
 Student travel grant earned to attend the Applied Association of Sport Management in Knoxville, Tennessee.

- Prize money of US\$ 350

3rd Best Master Thesis 2023
 Brazilian Association of Sport Management (ABRAGESP)
 Prize received during the 4th edition of the Brazilian Conference of Sport Management (CBGE) in Brasilia, Brazil, in December of 2023

UF SPM PhD Research Funding 2023
 Student research proposal competition award granted by the University of Florida's department of Sport Management for data collection towards the research proposal titled: *The Trickle-Down Effect: Long-term Effects of an Olympian Brazilian Gymnast Athlete on Community Sport Development*

- Prize money of US\$ 500

Graduate School Funding Award (GSFA) 2023-2027
 University of Florida
 Fully funded distinguished 4-year research fellowship plus tuition waiver awarded by the University of Florida's College of Health and Human Performance for the Ph.D. based on academic achievements and research potential.

Certificate of Excellence 2022
 Olympic Studies Forum
 Certificate received for achieving the highest score in the work's presentation: "Cheerleading at the Olympic Games?" Possibilities for the development of the sport in Brazil."

2nd Best Research Project 2021
Santana, W.F., Oliveira, M.H. Working for Gender Equality in the Olympic Games: the possibilities of Olympism to improve gender-balanced participation".
 Presented at the 4th IV Forum of Sport for Development and Peace 2021 from the call "The potential of Sport to achieve the Sustainable Development Goals (SDG)". Partnership by UNESCO and the Guatemaltecan Olympic Committee.

- Prize money of US\$ 1600.

Research Assistantship 2020 – 2021
 Brazilian Micro and Small Business Support Service (SEBRAE), Sao Paulo, Brazil.

Funded by National Council for Scientific and Technological Development (EXP-SB /CNPq)

- Approximate total value of BRL 98.000,00.

Commencement speaker

2019

Degree ceremony of the Physical Education at the University of Sao Paulo Class of 2018

Undergraduate Teaching Assistantship

2015 – 2018

Faculty of Education of the University of Sao Paulo, Sao Paulo, Brazil.

Funded by the Unified Scholarship Program of the University of Sao Paulo

- Approximate total value of BRL 14,400,00

Award to the project of Gymnastics for All at the School of Application

2017

From the Fomentation of Culture and Extension Initiatives – Partnership between the University of Sao Paulo and the Santander Bank

- Approximate total value of BRL 10,000.00

Undergraduate Research Assistantship

2016 – 2017

School of Physical Education and Sport of the University of Sao Paulo

Funded by National Council for Scientific and Technological Development (PIBIC/CNPq)

- Approximate total value of BRL 4.800,00

RESEARCH EXPERIENCE

Graduate Research Fellow

2023 – 2027

College of Health and Human Performance, University of Florida, Gainesville, FL, US

Funding: Graduate Student Funded Award Fellowship– University of Florida

Supervisor: Kyriaki Kaplanidou, PhD

- Conducting scientific research to publish in peer-reviewed academic journals
- Supporting a designated faculty member in their research and publication efforts as a contributing author
- Engaging in research tasks as part of the Innovative Research Initiatives in Sport Events lab (I-RISE) team
- Delivering research findings at both academic and business conferences

Graduate Research Assistant (Volunteer)

2020 – 2024

Physical Activity and Coping Strategies (PACS) during the COVID-19 pandemic: a multiple country comparison study

School of Arts, Sciences and Humanities of the University of Sao Paulo, Sao Paulo, Brazil.

Supervisor: Ricardo Uvinha, PhD and Nara Oliveira, PhD.

- Developed strategies to apply the studied protocol at various facilities to gather data
- Organized and attended meetings regarding the research during every stage
- Acquired great experience with research planning and group organization
- Led to the two national articles with this Brazilian database

Research Assistant

2020 – 2023

Productivity strategies for small businesses in Sao Paulo

Brazilian Micro and Small Business Support Service (SEBRAE), Sao Paulo, Brazil.

Funding: National Council for Scientific and Technological Development (EXP-SB/CNPq) and SEBRAE

Supervisor: Ariadne Waureck, PhD

- Mentored in leadership and time management
- Taught organization skills to local entrepreneurs
- Developed of marketing and communication strategies
- Implemented Design Thinking, Data Analysis, and Agile Methodologies in Sao Paulo's Businesses

Undergraduate Research Assistant

2015 – 2017

Athlete Development and Sport Pedagogy

School of Physical Education and Sport of the University of Sao Paulo, Sao Paulo, Brazil.

Funding: National Council for Scientific and Technological Development (PIBIC/CNPq)

Supervisor: Michele Carbinatto, PhD

- Gained experience with qualitative research methods
- Conducted data collection in every artistic gymnastics facilities of Sao Paulo state
- Attended project meetings with publications, presentations, and discussions

TEACHING EXPERIENCE

Teaching Assistant

2024 – Spring

SPM3012 - Social Issues in Sport

College of Health and Human Performance

University of Florida

Supervisor: Christine Wegner, PhD

- Responsible for grading student essays

Teaching Assistant

2024 – Spring

SPM4104 – Facility Design & Management

College of Health and Human Performance

University of Florida

Supervisor: Brian Avery

- Responsible for grading student activities and exams.

Teaching Assistant

2024 – Spring

SPM4724 – Risk Management in Live Entertainment & Sports

College of Health and Human Performance

University of Florida

Supervisor: Brian Avery

- Responsible for grading student activities and exams.

Teaching Assistant

2015 – 2018

Gymnastics for All at the School of Application (GYMNUSP)

Faculty of Education of the University of Sao Paulo, Sao Paulo, Brazil.

Funding: Unified Scholarship Program of the University of Sao Paulo

Award: Fomentation of Culture and Extension Initiatives – USP/SANTANDER

Supervisor: Monica Ehrenberg, PhD

- Taught acrobatic elements to teenage students
- Created choreographies for presentation at different national and international events
- Presented academic research posters related to the project in conferences

Teaching Assistant (Volunteer)

2018 – Fall

Historical Dimensions of Physical Education and Sport

School of Physical Education and Sport of the University of Sao Paulo, Sao Paulo, Brazil.

Supervisor: Katia Rubio, PhD

- Joined the Olympic Studies Group (GEO-USP) to the Olympism in Action Forum during the Youth Olympic Games in Buenos Aires in 2018

GRADUATE COMMITTEE ACTIVITY

Thesis Examination Committee Member

2023 Jun

Federal University of Paraná (UFPR), Curitiba, Brazil

Thesis Title: Panorama of Cheerleading in Brazil: Pathways, Achievements, and Pioneers

Candidate: Vinicius Kazuo Hayashi Novaes

- Acted as a committee member to evaluate undergraduate thesis submissions in the Bachelor of Physical Education program.
- Reviewed and assessed the research quality, methodology, and overall presentation of thesis projects.
- Offered detailed feedback and actionable recommendations to enhance academic rigor and presentation quality.

PROFESSIONAL EXPERIENCE

President, HHP GO

2024 – 2025

College of Health and Human Performance, University of Florida

- Led the Health and Human Performance Graduate Organization (HHP GO), overseeing the planning and execution of activities and events for the graduate community within the College of Health and Human Performance.
- Organized three major events each semester, fostering engagement across the HHP community, including doctoral and master's students.
- Collaborated closely with the executive board to manage operations, streamline communication, and ensure the successful planning and execution of events.

Research Assistant

2023 – 2027

Department of Sport Management, University of Florida

Advisor: Dr. Kyriaki Kaplanidou

- Conducted in-depth research on sports event management and community development as part of the Innovative Research Initiatives in Sport Events (I-RISE) lab, contributing to peer-reviewed publications and international conference presentations.
- Collaborated closely with Dr. Kyriaki Kaplanidou on grant applications, research proposals, and interdisciplinary studies, demonstrating a strong ability to secure funding and advance academic inquiry.
- Led data-driven projects within the I-RISE lab, utilizing advanced research methodologies and analysis techniques to generate impactful insights in the field of sport management.

Cheerleading Coach

2019- 2023

School of Communication and Arts (ECAUSP), Sao Paulo, Brazil

Coach of the GOLDENS ECA-USP Varsity College Cheerleading Team Level 2.1. Total athletes: 33

Achievements:

- 2019 - 5th place TEAM CHEER CPU
- 2022 - 1st place TEAM CHEER CPU
- 2023 - 1st place TEAM CHEER GOLDENS JUBs FASE SP
- 2023 - 3rd place TEAM CHEER JUCA

Sports Manager – Cheerleading

2019-2023

Sao Paulo University Sports Federation (FUPE), Sao Paulo, Brazil

- Coordinated the inauguration of cheerleading as one of the competitive sports in the Brazilian University Championship (CPU) in 2019
- Managed the second edition of the CPU event in October 2022 after the Pandemic
- Organized the inaugural Brazilian University Games São Paulo Phase (JUBs FASE SP), marking the debut of cheerleading as a competitive modality in this championship in 2023

Substitute Gymnastics Teacher

2019

Colégio MJM, São Paulo, Brazil Total students: 61

- Conducted gymnastics classes for nine groups of students aged 4 to 15, focusing on skill development and teamwork.
- Created Gymnastics for All and Cheerleading routines for the school's year-end performance event.

Physical Education Intern

Social Service of Commerce (SESC), Osasco, Brazil

2016-2018

- Conducted sports training for children and adolescents
- Instructed adults and elderly individuals in exercise routines
- Offered multifunctional fitness classes designed for participants of various ages

Administrative Assistant

2012-2014

Bradesco Bank, Osasco, Brazil.

- Oversaw supplier management
- Fostered communication and collaboration with branches throughout Brazil

Army Soldier

2012

20 GACL, Barueri, Brazil.

- Completed military basic training, acquiring essential combat skills, firearm proficiency, and military procedures.

Administrative Assistant (Apprentice)

2011

Brazilian Postal Service (CORREIOS), Sao Paulo, Brazil.

- Managed the reception, recording, archiving, and dispatch of documents
- Updated and maintained Excel spreadsheets
